Subject: Draft Section 126 Ref Bulletin

Good morning Renita and Happy New Year.

I have some minor corrections to suggest that I don't think needs to go through the formal public comment process.

"Licence" is the correct spelling (as per the MVRMA), not "license".

a.. It is spelled correctly on page 2 of 5, but incorrectly on page 4 of 5 and four times on page 5 of 5, including the excerpts of subsection 118(1) (once) and section 62 (twice). I suspect that your spellchecker automatically changed the spelling to the U.S. spelling.

Some 'subsections' are identified as 'sections'

a.. First line on page 4 of 5 should be, "ss. 126(4)..."

b.. Seventh line on page 5 of 5 should be, "Subsection 118(1)..."

c.. Twelfth line on page 5 of 5 should be, "... in the case of ss.118(1)..."

Regards,

John Korec, P.Geol.
