Preliminary Screening Practitioner's Workshop

Date: September 7, 2016

Location: Tree of Peace, Yellowknife

Participant's Agenda

Introduction:

Under the Mackenzie Valley Resource Management Act (MVRMA), various organizations/agencies are responsible for conducting preliminary screenings under Part 5, which establishes a process for environmental impact assessment (EIA). The Mackenzie Valley Environmental Impact Review Board (Review Board) is the primary agency responsible for EIA in general in the Mackenzie Valley, and has the authority to produce guidelines for conducting EIA under section 120 of the MVRMA. In collaboration with the Land and Water Boards of the Mackenzie Valley and other screeners, the Review Board is hosting a preliminary screening workshop.

Workshop Purpose:

The purpose of this workshop is to bring together staff from preliminary screening organizations and the Review Board to share best practices and challenges associated with conducting preliminary screenings under the MVRMA.

Workshop Objectives:

More specifically, the workshop objectives are to:

- learn more about roles and responsibilities related to preliminary screening;
- identify and discuss key challenges, successes, and best practices related to preliminary screening;
- promote engagement and collaboration amongst screeners and with the Review Board;
- prioritize challenges that are most important and/or urgent to address, and establish next steps toward
 developing and implementing such approaches (e.g., through focused "task teams" or individual organizations
 taking the lead), and;
- identify effective communication techniques, internally and externally.

Agenda:

Participants had the opportunity to complete a set of survey questions about preliminary screening practices, knowledge, and challenges. The survey results were used to inform this draft agenda for the workshop.

Workshop Preparation:

Survey results were provided to all workshop participants in advance. Participants can use the agenda and the survey results to prepare for effective participation in the workshop. A template for introductory presentations was also provided in advance.

#	Draft Agenda Item	Time (approx.)
Introductions, Context, and Learning about the Preliminary Screeners		
1	Networking, Coffee, and Uploading Presentations	8:30 - 9:00am
2	Welcome and Introductions	9:00 - 9:15am
3	An Overview of Preliminary Screeners in the Mackenzie Valley: Introductory	9:15 – 10:15am
	Presentations (approx. 7 min. each)	
	• MVEIRB	
	• LWBs	
	GNWT – ENR	
	• NEB	
	• OROGO	
	 Parks 	
	• DFO	
	• ECC / CWS	
	GNWT - Lands	
HEAI	TH BREAK	10:15 –
		10:30am
The Life Cycle of a Screening		
4	Application submitted and sent for review (information requirements,	10:30 -
	application completeness, distribution for review):	11:45am
	Key Challenges	
	Opportunities for Improvement	
	Resources Available / Training Needs	
	Communication Strategies (internal/external)	
LUNG	CH (not provided)	11:45 – 1:15pm
5	Conducting the Preliminary Screening (collecting and analyzing evidence):	1:15 – 2:45pm
	Key Challenges	
	Opportunities for Improvement	
	Resources Available / Training Needs	
	Communication Strategies (internal/external)	
HEAI	TH BREAK	2:45 – 3:00pm
6	The Preliminary Screening Outcome (decision-making and communication):	3:00 – 4:15pm
	Screening Decisions	·
	a. Timing and Coordination with other Screeners	
	b. Information to the Review Board	
	c. Implications Post-EA	
	Key Challenges	
	Opportunities for Improvement	
	Resources Available / Training Needs	
	 Communication Strategies (internal/external) 	
	. ,	
Discussion of Next Steps		
	Next Steps:	4:15 – 4:30pm
	 Discuss how to follow up on ideas generated over the course of the 	
	day (action items, proposals to bring to other venues, future	
	workshops/meetings, etc.)	
	Closing Comments	4:30 – 5:00pm
