**February 26-28, 2019
Midnight Sun Complex
Inuvik NT**

The workshop will cover the integrated system of land use planning, land, water, and wildlife management, environmental assessment, cumulative impact monitoring and auditing as established through the Gwich'in Comprehensive Land Claim Agreement and the Mackenzie Valley Resource Management Act.

This event is being hosted by the co-management Boards in the Gwich'in Region and the Government of the Northwest Territories.
