

DEVELOPMENT TITLE: *Outfitter Guided Trips in Nahanni and Nááts'jch'oh National Park Reserves*

PROPOSED DEVELOPMENT DATE(S): June 1st – September 30th, 2020

DEVELOPMENT DESCRIPTION:

Many visitors accessing Nahanni National Park Reserve (Nahanni) and Nááts'jch'oh National Park Reserve (Nááts'jch'oh) do so as clients of commercial outfitting companies. Guided trips typically begin at earliest the first week of June (more often, the second to third week of June) and, on average, run until the first week of September. They range anywhere from one to three weeks in length and include river tripping and hiking as primary activities. Each guided trip includes a maximum of 15 people (including guides). Commercial river outfitters must obtain Parks Canada business licences to operate in the parks.

The Guidelines for Licensing of Guided River Outfitting in Nahanni and Nááts'jch'oh National Park Reserves outline the considerations for safety and sustainability, set quotas for visitation and limit the number of licences Parks Canada issues in Nahanni National Park Reserve. As per the licensing guidelines and in accordance with the *Mackenzie Valley Resource Management Act (MVRMA)*, the activities of commercial outfitting companies must undergo preliminary screening before their licences can be issued. This preliminary screening applies to the following commercial outfitting companies, which have indicated that they will be applying for their annual business license renewal, and includes the listed activities/locations:

Companies

- Black Feather Wilderness Adventure Company
- Nahanni Wilderness Adventures
