

Notice of Public Community Hearing

The Mackenzie Valley Environmental Impact Review Board (Review Board) is holding a public community hearing in Nahanni Butte on Monday, April 24th to discuss the Prairie Creek All-Season Road Project.

The project consists of the construction, operation and closure of a 184 km all season access road from the Prairie Creek Lead and Zinc Mine to the Liard Hwy. All season road construction is proposed over 3 years, with an operating life of 17 years followed by road closure and reclamation. The proposed road passes through ~85km of the Nahanni National Park and Reserve.

The Review Board wants to hear evidence from all parties as well as the views of the public about the proposed development's impacts on the environment including the social, cultural and economic well-being of the residents of the Mackenzie Valley.

Nahanni Butte Public Hearing Information:

Where: Recreation Center

When: April 24, 2017 during the afternoon and evening

Interpreter Services will be provided.

Dinner will be provided.

Requests to make a presentation:

Please contact the Review Board as soon as possible if you wish to speak or provide a written submission at the hearing. The hearing will be run according to the Review Board Rules of Procedure (2005), which can be downloaded from the Review Board's website (www.reviewboard.ca).
