Re: Extension for Developer's responses to comments on the Developer's Proposed Terms of Reference

The Review Board received Selwyn Chihong Mining Ltd.'s Developer's Proposed Terms of Reference (DPToR) on September 16th, 2015 and accepted comments from parties until December 11th, 2015. The Developer then had until January 18th 2016 to respond to parties' comments.

On January 11th, the Developer requested an additional week to respond to parties' comments on the DPToR via email¹. Based on this request, the new deadline for Developer responses is January 25th, 2016.

Parties' comments on the DPToR can be viewed on the Online Review System [here](#).
