### ***Environmental Assessment of Prairie Creek Mineral Exploration and Cat Camp/Fuel Cache Retrieval and Clean-up***

The above titled environmental assessment (EA) was triggered on October 4, 2000 with the referral of the development proposal by the Mackenzie Valley Land and Water Board (MVLWB). Notification of the EA was provided by the Review Board on October 10, 2000 in accordance with ss.126(1) of the MVRMA.

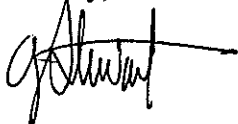

In the interests of cooperation and in order to facilitate the coordination and conduct of the EA, please provide written notification of your Board's or department's intention to participate in the EA process as one of the following (see attachment 1 for definitions of these terms):

- Regulatory Authority;
- Expert Advisor; or,
- Intervener.

Please also indicate whether or not as a federal or territorial government department, your department is a "responsible minister", in accordance with s.111 of the MVRMA in relation to this development proposal.

Please provide your written responses to this office by 1700 hours, Wednesday, October 18, 2000. For further information regarding this EA please contact the undersigned.

Sincerely,

Gordon Stewart  
Environmental Assessment Officer

cc. Alan Taylor, Canadian Zinc Corp.
