Re: Paramount Resources Ltd.'s Cameron Hills Drilling Project
Amendments to the Final EA Workplan and Terms of Reference

DIAND has reviewed your letter dated January 19, 2001 on the above topic. We recognize that in our original submission on the Draft Terms of Reference we suggested that the Scope of Development be altered to not include the ten future wells. In light of the letter written by Paramount January 5, 2001 we have no objections if this remains in the Terms of Reference as requested by Paramount.

Sincerely,

Mary Tapsell
