Re: PTL Cameron Hills Pipeline Application.

Dear Sir:

On behalf of Dene Tha' First Nation members/trappers, I would like to follow-up on my conversation with Paramount Resources Ltd. representative, Shirley Maaskant, that Dene Tha' First Nation has no concerns and/or objections at this time for Paramount Resources Ltd. to proceed with the above mentioned proposed project.

With my participation in the Heritage Resource Impact Assessment of Paramount Resources Proposed Cameron Hills Project Near Indian Cabins, Alberta Alberta Archaeological Research Permit #2000-123, consultation with the Dene Tha' First Nation had taking place.

For further information, contact Baptiste Metchooyeah at telephone number (780) 321-3235.

Sincerely,

Baptiste Metchooyeah
Trappers Liaison/Consultation Coordinator
