Dear Mr.Christensen:

**Canadian Zinc Environmental Assessment**

The Department of Resources, Wildlife, and Economic Development (RWED) would like clarification on a point raised in the Mackenzie Valley Environmental Impact Review Board (MVEIRB) letter to the Minister of Indian and Northern Affairs (INAC) Mr. Robert Nault dated September 24, 2002. In the letter, it was stated that, "The Board will also consider how it may wish to respond to other issues raised in the letters from reviewers attached to the ministers letter". RWED would request that the MVEIRB clarifies exactly how it will respond to issues raised by other reviewers, specifically RWED.

Should you have any questions or require clarification regarding the above please do not hesitate to contact myself at 920-6392.

Sincerely,

Jason McNeill  
Environmental Assessment Technician
