### **Re: Consolidated Goldwin Ventures Inc.'s Diamond Exploration at Drybones Bay**

Consolidated Goldwin Ventures Inc. submitted an application for a Class A Land Use Permit to the Mackenzie Valley Land and Water Board. On April 11, 2003, the MVLWB referred the application to the Mackenzie Valley Environmental Impact Review Board (Review Board) for an environmental assessment.

To expedite and focus our collective efforts, please identify yourself as one or more of the following:

If you are a federal or territorial department please indicate whether you are a "responsible minister" in accordance with Section 111 of the *Mackenzie Valley Resource Management Act*. Please provide your written response by July 4, 2003.

The letter of referral and supporting documentation has been posted to the MVEIRB's web site ([www.mveirb.nt.ca/](http://www.mveirb.nt.ca/)).

If you have any questions or require additional information on the environmental assessment, please call me at 867-766-7063.

Sincerely,

A handwritten signature in cursive script that reads "Sherry Sian".

Sherry Sian  
Environmental Assessment Officer

An important distinction between a Member of the Public and the other two classifications is that a Member of the Public cannot issue or receive information requests or be cross-examined on evidence provided to the Review Board.
