As you are aware, Section 39 of the MVEIRB Rules of Procedure for EAs states that all IRs are issued under the Boards authority. Paramount assumes that the Board determined this IR should not be issued to Paramount and as such, Paramount will not be responding.

Hi,

I am doing some work for the Fort Providence Mtis Council with regards to Paramount's activities in the Cameron Hills. In early January, the Fort Providence Metis sent Information Requests to the NEB, the MVLWB and Paramount. None of you have responded. To assist the FPMC in preparing for the public hearings next week, please answer the following questions for me:

- 1) Will your organizations be responding to the IRs from the FPMC?
- 2) If yes, when?
- 3) If no, why not?

I have attached the IRs to this e-mail for easy reference.

Thanks,

Joe Acorn
