Dear Mr. Braden:

**Re: Notice of Referral to Environmental Assessment – Wyn Development Inc.-
Sachowia Point area, north-east of Great Slave Lake.**

On May 3, 2005 the Mackenzie Valley Land and Water Board referred your Land Use Permit application (MV2005C0002) for mineral exploration at Sachowia area north-east of Great Slave Lake, Northwest Territories to Environmental Assessment, according to section 125(1) of the Mackenzie Valley Resource Management Act. The Mackenzie Valley Environmental Impact Review Board will determine the scope of the project and of the assessment, and will provide you with a draft Terms of Reference and Work Plan shortly. To assist us with this, we may ask you for more information about your proposed development.

Until the assessment is concluded no permit or other authorization required for the development under territorial or federal law can be issued. All pertinent information will be placed on the Review Board's public registry. The Board's Guidelines for Environmental Impact Assessment, as well as information on previous assessments, can be found at www.mveirb.nt.ca.

Please do not hesitate to contact me at (867) 766-7053 or mhaefe@veirb.nt.ca, if you have any process related questions.

Sincerely
