Re: Information Requests- Sidon Int'l Resources Corp. Environmental Assessment

The Review Board is now entering into the information request stage of this environmental assessment. Parties are encouraged to consider what additional information would help them formulate their views on the impacts of this proposed development. These questions can be posed by the Board to the developer or any other party in the form of an information request.

Please submit any proposed information requests to the Review Board by Thursday October 6th, 2005. The format for information requests should follow that described in the attachment to this letter.

If you have any questions, do not hesitate to contact me at (867) 766-7056 or by e-mail at aehrlich@mveirb.nt.ca.

Sincerely,

Alan Ehrlich
Senior Environmental Assessment Officer
