**Re: Undertaking # 3 Alternative Routes – Deninu Kue First Nation**

Dear Mr. Christensen,

On behalf of Deninu Kue First Nation, our Chief and Council agree to the alternative route that is currently being proposed by Deze Energy in the map provided. This new proposed route is west of Fort Reliance and east of McLeod Bay.

As stated at the Environmental Assessment hearing held in Dettah on January 14-15, 2010, Deninu Kue First Nation supports responsible and sustainable development.

If there is anything else that is needed, feel free to contact Ms. Rosy Bjornson, IMA Coordinator at (867) 394-4335/6.

Sincerely,

Chief Louis Balsillie, DKFN
