### **Re: Correction to Note to File – June 9, 2009**

On June 5, 2009, a note to file was posted on the public registry that contained information about additional information provided by the developer on baseline water data. We would like to clarify a few points that may have been not clear for parties reviewing this note to file.

The developer has provided 14 reports to provide additional information to participants reviewing the Developers Assessment Report. These reports are available at the Review Board office as hard copies. To obtain a hard copy please contact us at (867) 766-7050 or 1-866-912-3472 (in the NWT, Yukon or Nunavut). For immediate download, we have posted the same documents at our FTP site at

<ftp://199.247.52.13/Taltson/Additional%20Studies/>

The following is a list of the reports available at the FTP site and through the office.
