Giant Mine Remediation Project EA (EA 0808-001)

Dear Parties,

Re: Review Board Information Requests, Round Two

On November 29th, 2011, the Review Board received a request from the Yellowknives Dene First Nation for an extension for its submission of the second round of Information Requests. The Review Board notes that this request was received prior to the IR deadline, and that the developer has indicated that this would not affect the timing of its responses. The Review Board has decided to grant the Yellowknives Dene First Nation an extension until December 6th, 2011.

The Review Board is now issuing its own Information Requests. Seven of these are directed to the developer, and one is directed to Fisheries and Oceans Canada. Responses are requested by January 16th, 2012.

If you have any questions, please contact me at (867) 766-7056 or by e-mail at aehrlich@reviewboard.ca.

Sincerely,
