Subject: EA0809-002 Canadian Zinc Corporation Prairie Creek Mine proposal

---

### **Subject: Environmental Assessment update, September 4, 2008**

Please note that the following changes or corrections to material issued last week about the scoping phase of the this EA:

1. **The proposed date for the Technical Scoping Session in Yellowknife for the Prairie Creek Mine has been changed to October 9, 2008.** The event will be held at the Tree of Peace Hall in Yellowknife. Further information will be forthcoming for this day long session.
2. **The deadline for submissions for the scoping phase is October 13.** Reference to October 10 in the "Instructions for Scoping" letter distributed by the Review Board last week was a typo.

Do not hesitate to contact me with any questions.

Regards,
