Re: Notification of Nahanni Butte Dene Band Traditional Knowledge Assessment Addendum Report and portions of the report to be held under confidential cover

The Review Board has formally accepted a Traditional Knowledge Assessment Addendum Report prepared by the Nahanni Butte Dene Band. The terms outlined in the September 15th letter from the Review Board are considered satisfactory to the Nahanni Butte Dene Band as noted in the attached email.

Portions of the Addendum Report will be placed on the Public Registry. Confidential portions of the Addendum Report will be held under confidential cover at the Review Board office throughout this environmental assessment.

The following terms will apply to parties who make a request to view the confidential portions of the Addendum Report:

- Parties may make a request to the Review Board to view the confidential portions of the Addendum Report provided a legitimate reason is given, e.g. a reasonable claim that a party will be affected;
- Should viewing of the confidential portions be granted by the Review Board, no reproductions in any form will be permitted;
- Viewing will take place at the Review Board office only.

If you have any questions, comments or requests for information, please contact me.

Subject: RE: Review Board response to TK assessment Addendum Report

Chuck – Chief Tesou and I have discussed your response, and the approach outlined in your letter is satisfactory to the Nahanni Butte Dene Band. Is there anything more that I need to do in terms of preparing the report, or can you work from the existing digital copy?
