Re: Technical Meeting draft Agenda

A technical meeting for the environmental assessment of the Prairie Creek Mine will be held in Yellowknife on September 29 – October 1, 2010. Please find attached a draft agenda for the technical meeting. If you have any suggestions for additional agenda items please let me know and the agenda can be altered accordingly.

The purpose of the technical meeting is for technical experts, advisors and other parties to have informal face-to-face discussions with the developer that focus on key issues. The meeting will be facilitated by Review Board staff and will be transcribed.

If you have any questions, please contact me by email or phone.
