Re: EA0809-003 Tyhee

The North Slave Métis Alliance (NSMA) needs more time to prepare its second round information request. There are too many environmental assessments going on at once, and we can not keep up.

Other parties have expressed the same need, and requested an additional week. The NSMA would like a little more than one week, until Monday June 18th.

In the meantime, we will continue trying to meet the established deadline.

Sincerely,

Sheryl Grieve
Environment and Resource Manager
