Dear Ms. Spencer:

**Re: EA1011-002 TNR Gold corp. Ltd. – Moose Property exploration  
Project, draft Work Plan**

Indian and Northern Affairs Canada (INAC) has reviewed the draft work plan for the TNR Gold Corp. Moose Property Exploration Project, dated August 18, 2010. While INAC does not have any specific concerns with the general proposed work plan, we suggest that a more detailed work plan, which includes proposed dates and locations of information sessions and a public hearing be made available as soon as possible to assist with internal planning and allocation of resources. The work plan should also identify whether written submissions will be required prior to the public hearing.

Should you wish to discuss these comments further, please contact Erica Bonhomme (Erica.Bonhomme@inac.gc.ca/867-669-2893).

Sincerely,

Teresa Joudrie, Director  
Renewable Resources and Environment
