Re: EA134-01 (2013) – Request for extension of deadline for information requests
for the Jay Project DDC.

Dear Mr. Elrich,

I am writing in support with the Lutsel ke Dene First Nation for the extension request of the information requests for the developer's assessment report (DAR). It would also be helpful for the Deninu Kue First Nation to have this request granted as we are also in need of capacity to assist in the full review of the DAR. A two week extension would be beneficial to all parties involved.

If you have any concerns with this request please contact Rosy Bjornson, DKFN Resource Management coordinator at (867) 394-4335.

Sincerely

Chief Louis Balsillie, Deninu Kue First Nation
