Prairie Creek All Season Road Upgrade Project

Re: MVEIRB change of personnel on file

The Mackenzie Valley Environmental Impact Review Board would like to inform the developer and parties of a change in key personnel on the Project File for EA1415-01. Chuck Hubert, Senior Environmental Assessment Officer, will be taking over from Kate Mansfield in anticipation of her pending maternity leave. This personnel change is effective immediately.

Contact information for the Review Board Staff working on this file is now:
