Re: **Prairie Creek All Season Road Video online access**

Canadian Zinc Corporation (CanZinc) held an online viewing meeting on February 23, 2017, showing a fly-over video of the proposed route for the Prairie Creek All Season Road. During the meeting, the video was narrated by a CanZinc consultant from AllNorth. Review Board staff took notes of the narration and discussions that took place during the viewing, which can be found on our public registry [here](#).
