Re: Teleconference with Canadian Zinc Corp., technical session agenda

On May 26, 2016, Review Board staff held a teleconference with Canadian Zinc Corp. (CanZinc) representatives to discuss the agenda for the upcoming Technical Session in Yellowknife, June 13-16, 2016.

Participants:

Review Board staff: Sachi De Souza, Mark Cliffe-Phillips, Chuck Hubert, Ruari Carthew

CanZinc: David Harpley, Alan Taylor

Discussion topics included:

- Ordering of items on various days for the technical session agenda
- Agenda constraints due to availability of technical advisors for the developer, parties and the Review Board
- CanZinc technical advisor participation
- Independent facilitator to be hired by the Review Board for technical session
- Community workshop hosted by Review Board staff planned in Nahanni Butte

Follow-up:

- Review Board staff will provide CanZinc with an example of a technical session presentation
- CanZinc to submit suggestions on technical session agenda
