Note to File

EA1415-01

Prairie Creek All Season Road Project, Canadian Zinc Corporation

Re: Second round information requests

On August 18, 2016, CanZinc submitted its remaining responses to undertakings from the technical sessions held in June. Responses to undertakings from all parties including the developer have now been submitted to the Review Board and are available on the public registry.

Parties are asked to begin preparing second round information requests on remaining issues for the Prairie Creek Mine All Season Road. The due date to submit second round information requests is September 23, 2016. Further instructions on preparing second round information requests will follow next week.

The contact for the Prairie Creek Mine All Season Road project is Sr. EA Officer Chuck Hubert at (867) 766-7052; or chubert@reviewboard.ca
