### Re: **Prairie Creek All Season Road Video Viewing**

CanZinc requested the opportunity to present video of the Prairie Creek All Season Road to all parties to EA1415-01. The Mackenzie Valley Review Board will provide space for viewing the video in their boardroom on **Thursday, February 23, 2017, at 10:00 am (MST)**. The boardroom is located at #200, Scotia Place, 5102 - 50<sup>th</sup> Avenue, Yellowknife. Board staff will be in attendance and encourage all parties to participate.

The video viewing will be hosted by CanZinc via video conference. Parties unable to physically attend the viewing in Yellowknife will be able to link into the video conference via GotoMeeting.

Join the video conference: <https://global.gotomeeting.com/join/481143341>

Join the conference call: 1-877-385-4099

Participant access code: 7158190#

Parties are encouraged to join the video conference 5 to 10 minutes ahead of the scheduled time, and to test software in advance using the following link:

<http://help.citrix.com/getready>

Parties are asked to allocate up to two hours for the viewing. Board staffs anticipate that approximately one hour will be required to view the video edit. Site-specific narration on portions of the road will be provided by CanZinc's engineers during that time. Parties may come prepared with questions on the areas shown in the video or other areas of the all season road.
