Re: EA1415-01 – Prairie Creek Mine All Season Road Project, participation of Board Member Bertha Norwegian in public hearings

In a March 29, 2017 [letter](#), the Review Board informed parties about Board member Bertha Norwegian's intention to participate in the upcoming Prairie Creek Mine All Season Road Project public hearings, April 24-28, in Fort Simpson and Nahanni Butte. In this letter, the Board asked parties with any concerns regarding Ms. Norwegian's participation to contact the Board by April 5, 2017.

The Board has not heard any concerns from parties, and as such, Ms. Norwegian will act as a Board member at the public hearings and throughout the remainder of the environmental assessment.
