Dear Mr. Harpley,

Re: Information Request related to Parks Canada Technical Report
Prairie Creek Mine All Season Road EA

Regarding your March 20, 2017 request for additional information about the Parks Canada Technical Report on the Prairie Creek Mine All Season Road EA, please see the following attachments for our responses.

Parks Canada will work with the Nah?a Dehé Consensus Team, to consider your request for our raw caribou location data.

If you seek further clarification on any other components of our Technical Report, please contact Allison Stoddart (Allison.Stoddart@pc.gc.ca), who will put you in touch with the appropriate technical expert.

Sincerely,

David Walker
