Mark, given the uncertainty regarding a prolonged schedule and outcome, CZN will not be making a Request for Ruling at this time. Of course, this does not prevent the Board from making decisions on its own initiative.

Regards.

**Subject:** Request for Board Consideration

Hello David,

Just to follow up from our phone conversation the other day, I would like to confirm that Canadian Zinc is not formally requesting a ruling from the Review Board for the inclusion of an airstrip within the Nahanni Nation Park Reserve in the scope of the environmental assessment.

Regards,
