Dear Mr. Toogood;

Husky Chedabucto Mineral Exploration Project Environmental Assessment (EA 1415-01) – Kirby Marshall participation in the Behchokò community hearing

The Government of the Northwest Territories (GNWT) has reviewed the Mackenzie Valley Environmental Impact Review Board's (MVEIRB's) June 4, 2015, letter to parties advising of board member Kirby Marshall's participation in the Behchokò community hearing via teleconference.

The GNWT has no issue with Mr. Marshall's participation in the hearing via teleconference and thanks the MVEIRB for the opportunity to comment on this matter.

Sincerely,

Terry Hall
Director, Land Use and Sustainability
