**Re: Chedabucto Project Environmental Assessment
YKDFN Intervention and the Request for Ruling**

Dear Ms. Crapeau,

As you are aware, interventions for the Chedabucto EA are due on Monday June 8, 2015. The Review Board provided its decision on your request for ruling yesterday, and in it directed Canada to provide certain information to YKDFN by Monday June 8, 2015. Depending on the information provided by Canada, the YKDFN may want to adjust its intervention based on this new evidence.

If, after reviewing Canada's response, the YKDFN wishes to adjust its intervention to accommodate this new evidence, please advise the Review Board by June 11, 2015.

If you have any questions or concerns please contact me.

Sincerely,

Alan Ehrlich
