**Re: Chedabucto Project Environmental Assessment
Kirby Marshal participation in the Behchoko community hearing**

The Review Board is providing notice that Board member Kirby Marshall will not be able to participate in person at the Behchoko community hearing on June 18, 2015. This is due to the change in the Behchoko hearing date change. As a result, it is possible that the Review Board may not have enough Board members present at this hearing to meet quorum. The Review Board proposes to have Kirby Marshall participate via teleconference to ensure that the Review Board has quorum.

Mr. Marshall is fully up to date on the file and able to participate in all aspects of the EA with the exception that he will only listen in on the Behchoko community hearing. Mr. Marshall will attend the Yellowknife hearing in person with the rest of the Board on June 23rd and 24th 2015.

The Review Board asks any parties with concerns with this approach to the completion of the proceeding to submit those concerns in writing to the Board no later than June 12, 2015 at 5 pm MDT. The Board will assume that any party that does not provide written concerns consents to Mr. Marshall's participation as described above.

Sincerely,
