Hearing Directive

Re: Dates for filing of post-hearing materials

To Parties:

This directive provides guidance to parties, including the developer, regarding dates for filing of post-hearing materials. Filing dates are as follows:

December 14, 2012: Filing of undertakings

Undertaking #1 AANDC to provide by December 7 a list of CIMP projects related to the Bathurst caribou herd (submitted December 6)

Undertaking #2 De Beers Canada to submit final Table of Commitments

Undertaking #3 GNWT to submit 2 documents described as:

1. Demonstration Project on Cumulative Effects. Authors, Nishi and Gunn
2. 2008 Workshop on Cumulative Effects, Manuscript 233. Author, Adamczewski et al.

December 21, 2012: Final written argument from parties including any information on traditional knowledge and traditional land use

January 3, 2013: Final written argument from the developer

January 3, 2013: Closure of the public record
