The Honorable Carolyn Bennett, M.P., P.C.  
Minister of Indigenous and Northern Affairs Canada

Dear Minister Bennett:

**Re: Response to Information Requests re  
Report of Environmental Assessment and Reasons for Decision re  
Canadian Zinc Corporation's Prairie Creek All-Season Road  
MV2012LI-0005 and MV2012F007**

I am writing on behalf of Líidlií Kúé First Nation to provide further clarification regarding the joint letter sent by LKFN and Nahʔá Dehé Dene Band regarding Canada's January 18, 2018 Information Requests to Canadian Zinc Corporation (CZN) about the Report of Environmental Assessment and Reasons for Decision for the Prairie Creek Mine All-Season Road.

Please be advised that LKFN is satisfied with the responses to all Information Requests, and on the basis outlined in the original letter (namely, that the process is in place to negotiate an Environmental Management Agreement) supports the approval of the Report of Environmental Assessment so this project can proceed to the MVLWB for consideration of the appropriate permits and licenses.

Mahsi,

Chief Gerald Antoine  
Líidlií Kúé First Nation
