**Re: Review Board staff meeting with Diavik Diamond Mines Inc.**

Review Board staff met with staff and consultants from Diavik Diamond Mines Inc (Diavik) on April 5<sup>th</sup>, 2019 to discuss process issues related to the upcoming Information Requests stage of the environmental assessment. The intent and value of a consolidated information document was also discussed.

Review Board staff also wish to confirm for parties that Diavik's response to the online review of the *Draft Scoping Document and Workplan* was originally marked as late due to an administrative error and was not submitted after the due date.
