Re: EA1617-01 Tłıchq All-Season Road Project Report of EA and Reasons for Decision, staff presentation on measures

Participants to the environmental assessment for EA1617-01, the Tłıchq All-Season Road Project, are invited to the Review Board office for a presentation on the Report of Environmental Assessment. Review Board staff will present the findings of the Board and walk through the Report's measures that address them. The Review Board hopes this presentation provides an opportunity for parties to better understand the Board's conclusion and final measures.

This is a staff level discussion. Board members and counsel will not be present. Staff will not engage in discussions of the merits of the findings or measures.

When: Date: Tuesday, April 17th, 2018
Time: 9:00 am-12pm (coffee and snacks provided)

Where: Board Room, Mackenzie Valley Review Board
2nd floor Scotia Building (5102-50th Ave)
Yellowknife
