Subject: Consolidated Gold Win (CGW) - History of Amendments

Hi Pat,

CGW applied to amend LUP MV2003C0003 on April 25, 2004 and May 25, 2004. Both requests were denied as they were not within the scope for which the LUP was issued. Therefore, CGW applied for a new Land Use Permit MV2004C0038 in September of 2004.

If you require further information, please contact me.
