Hi Bill,

I've had a request from the NSMA for the following documents from the Giant Mine Public Registry. Could you either forward them to our office or prepare them for pick up at yours?

Thank you.

Subject: Giant Mine Scoping

Hi Tawanis,

Is it possible to arrange to get copies (preferably digital) of the following documents?

- A1 – The Giant Gold Mine – Our Story: Impact of the Yellowknife Giant

Gold Mine on the Yellowknives Dene – A Traditional Knowledge Report.
(YKDFNLEC 2005)

- N1 – Tier 2 Risk Assessment – Giant Mine Remediation Plan (SENES 2006)
- Q3 – Withdrawal Order in Council
- Q4 – Environmental Impact Matrix
- Q5 – Scoping of Potential Cumulative Effects
- Q6 – Socio-Economic Impact Assessment (INAC 2007)

Also, there was a water quality study called the Yellowknife / Back Bay Water Quality Study, performed in 1987-88 by (myself working for) HydroQual, on contract to DIAND. I'd like to get a copy of that too. Do you perhaps have it or know how/where to get it?

Thanks!
