

Chief Louis Balsillie  
Deninu Kue First Nation  
BOX 1899  
FORT RESOLUTION NT X0E 0M0

Dear Chief Balsillie:

**Correction to Facsimile Number in Previous Correspondence Regarding Report of Environmental Assessment and Reasons for Decision for the Proposed Amendment to Snap Lake Diamond Mine Water Licence MV2011L2-0004 (File: EA1314-02)**

---

On October 6<sup>th</sup>, 2014, a letter from the Department of Lands, Government of the Northwest Territories, confirmed its Project Assessment Branch had received correspondence from Deninu Kue First Nation (DKFN) on the subject-noted report (the REA) and provided contact details should the DKFN have any questions regarding the confirmation.

Please note, the facsimile number in the above-noted October letter was incorrect, and DKFN should resend any correspondence it may have sent to that facsimile number to the new facsimile number detailed below. This correction is due to public-works relocations as a result of devolution.

Furthermore, it is important to note, to date, no ministerial decisions have been made regarding the REA, and this letter should not be taken to indicate that Responsible Ministers favour any particular decision path. The Project Assessment Branch will keep DKFN informed of any potential further opportunities for consultation with respect to ministerial decisions regarding the REA.

.../2

If DKFN provided correspondence via facsimile in relation to the above-noted October letter, please resend this correspondence via facsimile to (867) 765-0144. If you have any questions regarding this letter, please contact Ms. Charlotte Henry, Project Assessment Analyst, by telephone at (867) 765-6785 or by email at [charlotte\\_henry@gov.nt.ca](mailto:charlotte_henry@gov.nt.ca).

Sincerely,
