Re: Imperial Oil Resources N.W.T. Limited (“Imperial Oil”)
Norman Wells Operations
Renewal of Operations Authorization 1210-001

Further to the Canada Energy Regulator's (“CER”) letter dated September 20, 2023 (the “[CER Letter](#)”) and at its request, Imperial Oil has served the CER Letter on stakeholders in the area surrounding Norman Wells Operations. The CER Letter was delivered to stakeholders via email on September 21, 2023. Please find attached as Schedule A, the list of stakeholders/individuals that were provided with the CER Letter. This list has been slightly modified since the August 28 Imperial letter ([Imperial Letter](#)). A copy of the notice is attached as Schedule B.

Please feel free to contact me if you have any questions.

Yours truly,

SCHEDULE B

Hello,

See attached letter from the Canada Energy Regulator (CER) in “Response to Notice and Statement of Concern Letters” regarding Imperial’s pending applications for the continuation of the Norman Wells Operations (NWO)

I want to bring your attention to two items in the letter:

- At this time, Indigenous Peoples and organizations and other stakeholders need only to provide preliminary information regarding their interest and/or concerns in relation to the NWO.
- Indigenous Peoples and organizations and other stakeholders may wish to file the Notice and Statement of Concern form up to and after 22 September 2023.

Please take the time to review the letter, and the “Notice of Statement and Concern Form” from the August 23 email. Imperial continues to encourage stakeholders to contact Imperial directly with any concerns.

Please feel free to reach out with any questions you may have.
