Dear Mark Cliffe-Phillips:

Aurora College Application for an Operations Authorization (OA-2022-001-AC)

Aurora College has applied to the Office of the Regulator of Oil and Gas Operations (OROGO) for an Operations Authorization. The application is for the abandonment of the Aurora Training Well G-04 (WID1915) in the Gwich'in Settlement Area. Information on the application is available on OROGO's public registry at oro.go.gov.nt.ca/en/registry.

Under section 124 of the *Mackenzie Valley Resource Management Act*, an Operations Authorization triggers the requirement for a preliminary screening.

Please contact me at (867) 767-9097 or by email at Pauline_dejong@gov.nt.ca if you have any questions.

Sincerely,

Pauline de Jong
Regulator
