Dear Mark Cliffe-Phillips,

Re: University of Guelph – G360 Institute for Groundwater Research – Notice of Preliminary Screening Determination – Amendment Application for Land Use Permit – Miscellaneous – Fort Liard area, NT

The Mackenzie Valley Land and Water Board (Board) met on May 11, 2023 and considered the Application Package from University of Guelph – G360 Institute for Groundwater Research (G360 Institute) for Land Use Permit (Permit) MV2018X0017 for the groundwater monitoring project (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on December 10, 2018¹ and March 2, 2020², and G360 Institute has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2.1 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.
