Dear Mark Cliffe-Phillips,

Re: North Arrow Minerals Inc. – Notice of Preliminary Screening Determination – Amendment Application for Land Use Permit – Mineral Exploration – Lac de Gras Project

The Mackenzie Valley Land and Water Board (Board) met on November 30, 2023 and considered the Application Package from North Arrow Minerals Inc. (North Arrow) for Land Use Permit (Permit) MV2019C0031 for the Lac de Gras Project (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on February 14, 2020,¹ and North Arrow Minerals Inc. has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.
