Dear Mark Cliffe-Phillips,

Re: Rowe's Construction – Notice of Preliminary Screening Determination – Renewal Application for Land Use Permit – Quarry Operation, Dehcho Region

The Mackenzie Valley Land and Water Board (Board) met on April 6, 2023 and considered the Application Package from Rowe's Construction (851791 NWT Ltd.) (Rowe's) for Land Use Permit (Permit) MV2023Q0006 for the quarry operation in the Dehcho Region (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on March 29, 2018,¹ and Rowe's has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.

Please contact Kathy Racher via [email](#) or at (867) 766-7457 with any questions or concerns regarding this letter.

Yours sincerely,
