Dear Mark Cliffe-Phillips,

Re: Government of the Northwest Territories – Department of Infrastructure – Notice of Preliminary Screening Determination – Renewal Application for Land Use Permit– Road – NWT Highway 5

The Mackenzie Valley Land and Water Board (Board) met on April 25, 2024 and considered the Application Package from Government of the Northwest Territories – Department of Infrastructure for Land Use Permit (Permit) MV2024E0005 for NWT Highway 5 (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on June 11, 2010, April 23, 2015 and October 21, 2016,¹ and GNWT-INF has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.

Please contact Kathy Racher via [email](#) or at (867) 766-7457 with any questions or concerns regarding this letter.

Yours sincerely,
