Dear Mark Cliffe-Phillips,

**Re: Government of the Northwest Territories – Department of Infrastructure – Notice of Preliminary Screening Determination – Renewal Application for Land Use Permit – Road – NWT Highway 3**

The Mackenzie Valley Land and Water Board (Board) met on May 9, 2024 and considered the Application Package from the Government of the Northwest Territories – Department of Infrastructure (GNWT-INF) for Land Use Permit (Permit) MV2024E0008 for the Highway 3 (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on June 11, 2010 and April 23, 2015<sup>1</sup> and GNWT-INF has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.

Please contact Kathy Racher via [email](#) or at (867) 766-7457 with any questions or concerns regarding this letter.

Yours sincerely,
