Dear Mark Cliffe-Phillips,

Re: Rowes Construction – Notice of Preliminary Screening Determination – Renewal Application for Land Use Permit – Quarry Operation – NWT Highway 1 km 518

The Mackenzie Valley Land and Water Board (Board) met on April 25, 2024 and considered the Application Package from Rowes Construction (Rowes) for Land Use Permit (Permit) MV2024Q0004 for the Quarry Operation (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on January 12, 2017,¹ and Rowes Construction (Rowes) has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.
