Dear Mark Cliffe-Phillips,

**Re: Kát'odeeche First Nation – Notice of Preliminary Screening Determination – Renewal Application for Land Use Permit and Water Licence – Quarrying – Km 44.5, Highway 5, NT**

The Mackenzie Valley Land and Water Board (Board) met on July 11, 2024 and considered the Application Package from Kát'odeeche First Nation (KFN) for Land Use Permit (Permit) MV2024Q0017 for the Quarry at km 44.5, Highway 5 (Project) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board completed a preliminary screening of the Project on September 1, 2017,<sup>1</sup> and KFN has not proposed changes to the Project. Accordingly, the Board has determined that the Project is exempt from preliminary screening under Part 1, Schedule 1, section 2 of the Exemption List Regulations to the MVRMA. Consequently, no further preliminary screening was conducted.
